INTRODUCTION:

Jyothi hospital is a charitable Catholic Mission hospital which provides health care services to the sub-urban population residing in and around Kuruda, Balasore, Odisha. It is a minority Christian Institution owned and managed by the Roman Catholic Diocese of Balasore. Jyothi Hospital has been rendering comprehensive health care services since 1999. It is committed to look after the poor and the sick irrespective of caste, creed and colour after the model of Jesus Christ.

St. Thomas School of Nursing is built in the campus of Jyothi Hospital in the year 2008 to continue the healing mission of Jesus. St. Thomas School of Nursing owned and managed by the Roman Catholic Diocese of Balasore, which is a minority Institution recognized by the Indian Nursing Council & Odisha Nursing Council.

The General Nursing and Midwifery Course (G.N.M) is a 3 years training programme. All aspects of General Nursing and Midwifery are taught in this course. Most of the teaching and training is imparted in the school of nursing, in Jyothi Hospital and in other nearby hospitals, if needed, to gain more practical knowledge and experience. The students will be permitted to sit for the Board Examination according to the rules and procedure of the Mid India Board of Education (MIBE). On successful completion of 3years of study, the students are eligible to receive Diploma in General Nursing and Midwifery. This Diploma will be awarded by Mid India Board of Education of the Nurse's League of Christian Medical Association of India (C.M.A.I) and registered under Odisha Nursing Council. The Diploma Awarded is registrable by any State Council in India as this Board is recognized by the Indian Nursing Council.

St. Thomas College of Nursing, established in 2023, is a promising institution committed to nurturing competent and compassionate nursing professionals. With its recognized status from the Odisha Nursing Council and Indian Nursing Council, affiliation with Odisha University of Health Sciences (OUHS), the college aims to provide a high standard of education in the field of nursing. Nursing college that students receive exposure to various healthcare settings, enabling them to develop essential skills and broaden their perspective on nursing practice.

St. Thomas College of Nursing strives to create a conducive learning environment, backed by a dedicated faculty and modern facilities. With a focus on academic excellence, ethical practice, and holistic patient care. The college aims to produce able nursing professionals who will contribute significantly to the healthcare sector of our Nation.

AIM:

St. Thomas School / College of Nursing is committed to promote life and provide quality health care training to develop qualified nurses who will be able to render the best possible nursing care to a patient anywhere in the world.

PHILOSOPHY:

The faculty of the School / College of Nursing believes that candidates undergoing training in this institution should be given personal attention which will enable them to mature as responsible nurses, capable of giving holistic and comprehensive nursing care in the hospital, community and family.

OBJECTIVES:

On successful completion of the courses – the students are expected to:

1. Acquire knowledge of theory and principles of allied subjects which are required for delivery of comprehensive nursing practices.
2. Apply scientific principles and knowledge in providing healthcare in the hospital and in the community.
3. Participate actively as members of health team in the promotive, preventive, curative and rehabilitative health care delivery system of the society.
4. Demonstrate leadership qualities and techniques in problem solving and decision making at different levels of work and life.

5. Recognize the need for continued learning for personal and professional development.
6. Practice ethical values in personal and professional life and rendering nursing service with commitment and dedication.
